It's FREE, to help you do your part!
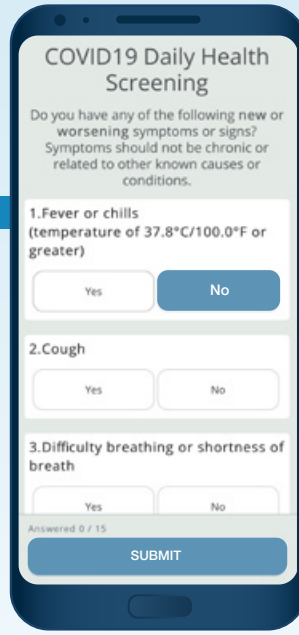

How to use i3's Health Pass

i3's CMS now offers an FREE easy way to meet your local COVID-19 screening requirements. A mobile-friendly screening questionnaire can be filled out in seconds generating an instant Access Pass or directing the visitor(s) not to enter depending on their answers. This solution can be used for daily employee screening and/or to screen your business' patrons.

INSTANT RESULTS IN 3 EASY STEPS

Scan

1 Scan the QR code or click on the link to complete the screening questionnaire.

COVID19 Daily Health Screening

Do you have any of the following new or worsening symptoms or signs? Symptoms should not be chronic or related to other known causes or conditions.

1. Fever or chills (temperature of 37.8°C/100.0°F or greater)
   - Yes | No

2. Cough
   - Yes | No

3. Difficulty breathing or shortness of breath
   - Yes | No

Answered 8 / 15

SUBMIT

2 Enter your name and contact number, and answer YES or NO to the following questions.
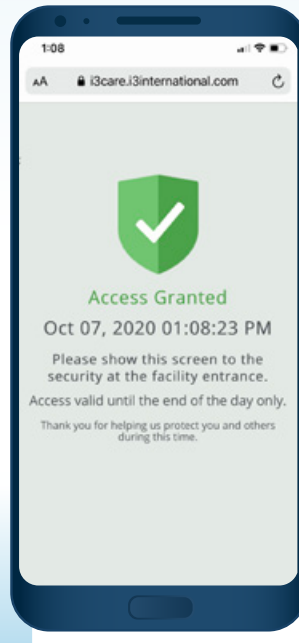

"Access Denied" message will be shown and audible prompt will be played for visitors responding "YES" to one or more screening questions.

Send out notifications to one or more recipients via email or email-to-SMS* every time an Access Denied message is shown to a visitor.

*participating Telecom service providers only

Access Denied
Oct 07, 2020 01:09:08 PM
You have answered "Yes" to one or more screening questions. Please DO NOT ENTER. Return home, self-isolate and call your healthcare provider to determine if you need to be tested for COVID19. Please contact your supervisor to discuss alternate work arrangements.
Thank you for helping us protect you and others during this time.

OR

Access Granted
Oct 07, 2020 01:08:23 PM
Please show this screen to the security at the facility entrance. Access valid until the end of the day only.
Thank you for helping us protect you and others during this time.

3 Present the **"Access Granted"** pass on your phone for entry (in case of monitored access points).

Employee/visitor health screening data is stored on **i3's Cloud Managed System (CMS)**, where information can be tracked and easily retrieved.
