**Re: Discontinuation Notice. Annexus 304**

To all of our customers and partners;

Due to manufacturing issues and shortages in components, effective immediately, Annexus 304 encoder will no longer be available, as stocked inventory depletes.

For all non-stocking orders placed with i3 International between now the 9<sup>th</sup> December and the 15<sup>th</sup> of December, Annexus 316 (AX316), 16-channel encoder will be shipped as a replacement.

**Note:** If a 24VAC 2.5A power supply is required it is available as a separate item. Part number PS-AX316

After December 15<sup>th</sup>, the following IP encoders will be available for purchase from i3 International: AX316, AX316A and the AX316B at standard pricing. Single-channel Annexus 301 will also be available at a reduced rate with a 15% discount until the January 15<sup>th</sup> to assist projects currently in progress.

Thanking you for your understanding and cooperation.
