**Re: End of Life for the following Analogue camera: DEHC223**

To all of our customers and partners;

This is an official End of Life (EOL) notice for the following camera: **DEHC223**

Fast advancements in the technology cause the replacement parts to become obsolete and unavailable very quickly. Effective immediately, i<sup>3</sup> International can no longer sell the above model however i<sup>3</sup> International will continue to support and services these products for five years to the date of the camera manufacture.

Those who want similar technology to the above Camera may order a more expensive but more compact 10X PTZ NDB100K camera.

Please contact technical support at [support@i3international.com](mailto:support@i3international.com) or by phone: 1.877.877.7241 if you have any questions or issues.
