For immediate release:

Re: End of Life for WDT-22 USB I/O board

To all of our customers and partners;

This is an official End of Life (EOL) notice for the following i3 International products:

Model Number	Model Description	Replacement Model (where applicable)
WDT-22	USB I/O Board with 2 Sensor Inputs / 2 Control Outputs	WDT or UIO8 for input/output support.

Effective immediately, these models will not be re-ordered. All standard units will now come with the WDT I/O board. Please see 160224-HW-01_WDT_Release.pdf bulletin for more information.

i3 International will continue to support and service these products in accordance with the warranty policy. i3 International regrets any inconvenience this may have caused.

Please contact technical support if you have any questions or issues.
