**Re: End of Life for the following Embedded DVR models: Veo12008N, Veo12016N**

To all of our customers and partners;

This is an official End of Life (EOL) notice for the following embedded DVR models: **Veo12008N, Veo12016N**

Fast advancements in the technology cause the replacement parts to become obsolete and unavailable very quickly. Effective immediately, i<sup>3</sup> International can no longer sell the above models however i<sup>3</sup> International will continue to support and services these products for five years to the date of the embedded DVR manufacture.

Those who want similar technology to the above product may order a new 16-channel Veo 48016 embedded DVR.
