Re: End of Life for the following hard drives: ST3500410SV, ST31000525SV

To all of our customers and partners;

This is an official End of Life (EOL) notice for the following hard drive models: **ST3500410SV, ST31000525SV**

According to the manufacturer's End of Life notification, effective immediately, i³ International will be replacing the above hard drive models with the compatible replacement models as specified by the manufacturer. i³ International will continue to support these products according to the product warranty policy. The above replacements will cause no disruption or changes to i³ International's DVR line and will present no concern to the systems' users.

Official replacement model for ST3500410SV 500GB hard drive: **ST3500411SV**

Official replacement model for ST31000525SV 1TB hard drive: **ST31000526SV**
