Re: End of Life for the following camera mounting bracket: DB14

To all of our customers and partners;

This is an official End of Life (EOL) notice for the following camera bracket: **DB14**

Effective immediately, i³ International can no longer sell the above model however i³ International will continue to support and service this product in accordance with the warranty policy. i³ International regrets any inconvenience this may have caused.

Official temporary replacement model: **DB14-T** mounting bracket.

The new series of cameras with matching mounting accessories is currently being developed and will be available in the coming months. A separate bulletin release will follow.

Please contact technical support at support@i3international.com or by phone: 1.877.877.7241 if you have any questions or issues.
