Re: 18-camera Power Supply Release Announcement – PS-AC25A18

This is an official hardware change notice.

I3 International is pleased to announce the release of an 18-output, 25A, 24VAC power supply. This economical power supply can be effectively paired with i3’s line of HD-analog cameras (Am51, Am53, Am73) as well as specific IP cameras (Ax63Z, Ax63C, Ax65W, Ax75RMv2, Ax83C, Ax85) for a complete solution.

PS-AC25A18 accepts 120VAC power input and provides 18 24VAC outputs, up to 1.39A per input. Each output is protected by a PTC (Positive Temperature Coefficient) resettable fuse, which protects the cameras and other connected equipment from excessive current flow.

The power supply comes in a locked, easy-to-mount metal cabinet. PS-AC25A18 is backed by i3’s 5-year standard warranty.
