June 5, 2025

To all of our customers and partners;

Release Announcement: **M86, 8MP 180º Panoramic Turret IP camera.**
B86, mounting back box for M86.

i3 International is pleased to announce the release of **the M86, 180º Panoramic Turret IP camera,** and the (optional) mounting back box, **B86**.

Feature Highlights:

- Fixed lens: 2.0mm
- Ultra-wide horizontal field of view: 180°
- True Wide Dynamic Range (WDR) for enhanced image clarity in challenging lighting conditions
- Infrared (IR) illumination distance: up to 25 meters (82 feet)
- Supports H.264 (default) and H.265 video compression formats
- 5-year limited warranty

Compression & Compatibility:

The M86 camera supports both H.264 (default) and H.265 video compression formats. Please note that i3Host/CMS Video Streaming legacy versions of SRX-Pro require H.264 compression.

Required software:
- Annexxus Configuration Tool **v2.2.2.22**
- SRX-Pro GiPi, **May 13, 2025** release, or newer

Visit i3 Download page to download the latest version of SRX-Pro GiPi and Annexxus Configuration Tool:
https://www.i3international.com/download

Mounting Options:

The M86 turret camera is designed for outdoor installations, featuring long-range IR and True WDR capabilities to ensure reliable performance in various lighting conditions. The camera is IP67-certified, providing resistance against moisture and dust. The turret design allows for flexible camera positioning.

B86 is the ¾" back box mounting bracket for M86, which supports a variety of mounting options.
Refer to i3's Camera mounting reference guide for more information.

Part #: B86
