For immediate release:

Re: Temporary Suspension: Cortex Switch SW-24400

To all of our customers and partners;

This is a notification for a temporary suspension of the following model: **Cortex Switch SW-24400**

Due to product quality concerns, effective immediately, i³ International will temporarily suspend the sale of the above model.

i³ International will continue to support and service the above product for the duration of the original product warranty.

Official replacement model: **Cortex Switch SW-26210**

Please contact technical support at support@i3international.com or by phone: 1.877.877.7241 if you have any questions or issues.
