Re: Desktop DELL options for SRX-Pro Remote

To all of our customers and partners;

In order to successfully run SRX-Pro Remote software, your system must meet the minimum hardware requirements. For customers looking to acquire a new desktop system suitable for remote access, we are offering the approved DELL desktop options that will fulfill the SRX-Pro Remote requirements as set out by i3 International Inc. Using one of the suggested models below will ensure that i3 SRX-Pro Remote software will perform to its full capacity.
