Re: Annexus Configuration Tool (ACT) v1.7.2.6 Release Notice

To all of our customers and partners;

This bulletin is the official notice of the **ACT v1.7.2.6** release.

i3 Annexus Configuration Tool is an IP finder utility for convenient pre- and post-installation management of i3 IP devices, including cameras, encoders and UIO8 control/sensor device.

The newest released version of ACT can be downloaded on i3 website:

<https://i3international.com/support/download> > **PRO** > **SRX-Pro Add-ons** section

Tip: To find out more about the recently added features, read the [ACT 1.6.2.2 release announcement](#).

New Features / Improvements:

1. i3 Password has been changed to **i3admin1** (previously i3admin) to comply with the new minimum security requirements of some i3 Annexus devices. Read [here](#) to learn more about using **Set i3 Password** feature.
2. Supports HR16v2 16-channel encoder.

Please contact technical support if you have any questions or issues.
