For immediate release:

To all our customers and partners, users of iOS mobile devices,

Apple Inc. has recently announced the release date for their upcoming **iOS15** operating system: **September 20th**.

To continue using SRX-Pro Remote iOS mobile app without interruptions, iOS users must update their SRX-Pro Remote app from the Apple's App Store after downloading and installing iOS15.

Alternatively, please download and install our free remote application – Video Pilot Client – to your Windows-based PC to continue monitoring your NVRs remotely.

To download Video Pilot Client application, please visit our website:
