

Re: Annexus Configuration Tool (ACT) v2.1.2.10 Release Notice

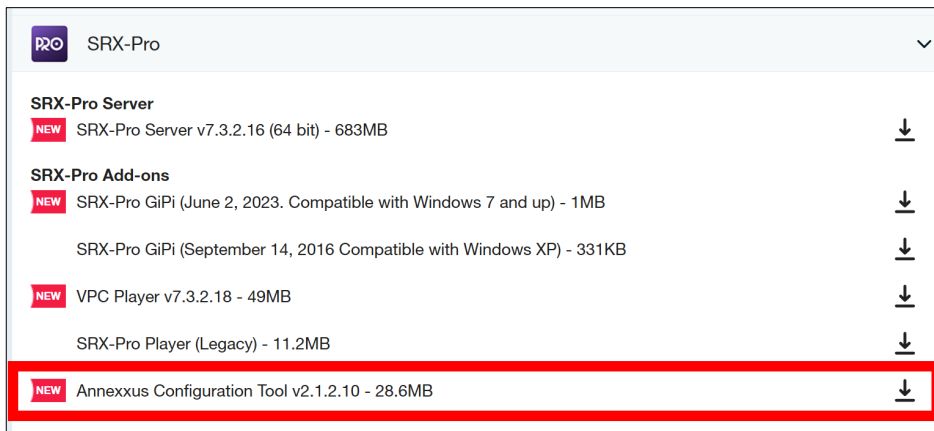

To all of our customers and partners;

This bulletin is the official notice of the **ACT v2.1.2.10** release.

i3 Annexus Configuration Tool is an IP finder utility for convenient pre- and post-installation management of i3 IP devices, including cameras, encoders and UIO8/UIO8v2 control/sensor device.

The newest released version of ACT can be downloaded on i3 website:

<https://i3international.com/support/download> > **SRX-Pro** > **SRX-Pro Add-ons** section

New Features:

1. Supports **M75** and **M85** cameras.
2. i3 Password has been changed to **i3@dm1n#1** (Previously i3admin1) for the following models to comply with the new minimum-security requirements: **Ax88, H59, M21, M71, M75, M77, M79, M85, LD16, Veo24 (pending release)**.
Default i3 password will remain as **i3admin1** for: **Ax57, Ax77, Ax78, Ax98**.
Read [here](#) to learn more about using **Set i3 Password** feature.

Improvements:

1. Improve the speed of device activation (Set password) and change network settings for M21, M71, M77, and H59 devices.
2. Support VLC cases where administrator account username differs from i3admin.
