Re: Version SRX-Pro 2.0.1 Release

To all of our customers and partners;

i3 International is releasing SRX-Pro 2.0.1. A number of significant improvements and additional IP cameras integration have been added. Version 2.0.1 is available for public release as of February 1, 2011.

The followings are improvements for Version 2.0.1:

- video analytics, TrafficCount module
- installing SRX-Pro without hard drive C or D
- detection of new Annexus IP camera
- a log record of technical issues are recorded on the hard drive for future reference
- new IP camera integration listing below
