**Re: Version SRX-Pro 2.0.2 Patch Release**

To all of our customers and partners;

i3 International is releasing SRX-Pro patch v. 2.0.2. This patch comes with a number of software improvements and will be available for public release as of January 31, 2011.

The SRX-Pro 2.0.2 patch improvements include:

- GiPi adapter updates: Panasonic and Samsung IP camera integrations
- Proper shut down of SRX-Pro Server with second video stream of AX52
- Proper backup of 16-channel video channels at 1080P resolution
- Software functions normally with Xvid decoder
- IP cameras are now searchable when located on a separate network from SRX-Pro Server; in reference to: Arecont, IQinVision, Annexus, and Axis IP cameras.
