**Re: CDs no longer shipped with Cameras.**

To all of our customers and partners;

Effective immediately, our cameras will no longer be shipped with the CD containing the User Manual and the Annexus Configuration Tool (ACT) program.

The User Manuals can be obtained through our website from the Media Library at this address:

<http://i3international.com/index.php/media-library>

Or from our FTP site:

<ftp://ftp.i3international.com/>

The ACT program can be download from our website here:

<http://i3international.com/index.php/software-downloads>

It is found under SRX-Pro Add-ons tab.

Please contact technical support if you have any questions or issues.
