**Re: SRX-Pro Server/Remote v3.3.3.70 Release Notice**

To all of our customers and partners;

This bulletin is the official notice of the SRX-Pro Server and Remote v3.3.3.70 release.

The software installation packages can be downloaded from the i3 website: <http://i3international.com/index.php/software-downloads> and has been installed on all units built in the factory from October 28, 2016 onward.

**Details:**

If Video Analytics is part of your SRX-Pro package please contact i3 Tech Support for the Video Analytics installation.

Software Improvements include:

- Support for viewing 360° video with audio for i3 International 360° fish eye cameras
- Better backward compatibility with i3's VPC and Remote software.
- Improved connectivity between SRX-Pro Remote and the Servers database files.
- Enhanced interface features with PACDM and SRX-Pro Server communicating with SRX-Pro Remote software.

If you have any questions regarding the new software or the new policies regarding Video Analytics please consult with your Regional Sales Manager for more information.  
Thank you very much for your attention and cooperation.

Please contact Technical Support if you have any questions or issues.
