Re: SRX-Pro Server/Remote v3.3.3.72 Release Notice

To all of our customers and partners;

This bulletin is the official notice of the SRX-Pro Server.

The SRX-Pro v3.3.3.72 software installation packages will not be going into production but can be obtained by contacting i3 Technical Support.

Details:

If Video Analytics is part of your SRX-Pro package please contact i3 Tech Support for the Video Analytics installation.

Software Improvements include:

- Improved license file creation for smoother license integration.
- Supports configuration of multiple sample rates for regular or two-way audio.
- Supports i3 international's new embedded system the Veo17.
- Improved integration with ACT v1.3.1.1.

If you have any questions regarding the new software or the new policies regarding Video Analytics please consult with your Regional Sales Manager for more information.
Thank you very much for your attention and cooperation.

Please contact Technical Support if you have any questions or issues.
