Re: Annexus Configuration Tool (ACT) v1.3 Release Notice

To all of our customers and partners;

This bulletin is the official notice of the release of Annexus Configuration Tool, ACT v1.3.

The software installation package can be downloaded from i3's website:

<http://i3international.com/index.php/software-downloads>

Software Features and Improvements include:

- Supports discovery and configuration of Network and Video Settings, as well as System Settings for Cameras, and HR16 Encoder.
- Designed to support i3's upcoming products including the Veo17, Annexus 75RM, Annexus 65Z, and the Annexus 63C.
- Compatible with Microsoft Windows XP and 7.
- Improved configuration for Network Settings and Video Settings for multiple cameras at the same time.

If you have any questions regarding the new software please consult with your Regional Sales Manager for more information.

Thank you very much for your attention and cooperation.

Please contact Technical Support if you have any questions or issues.
