

Re: SRX-Pro Service v7.1.2.60 Release Notice

October 9, 2020

To all of our customers and partners;

This bulletin is the official notice of the SRX-Pro Service (Pro Setup) **v7.1.2.60** release. Released in conjunction with **VPC v7.1.2.60**.

The new software installation package is now available for download from the i3 website: <http://i3international.com/support/download>.

This software version is going to be used in Production as a standard default software version for all standard NVR starting **Tuesday, October 13, 2020**. To continue receiving your NVRs with SRX-Pro v6 or an earlier version of SRX-Pro v7, please speak to your RSM to arrange for a “Special Routing” to be created for your NVRs.

New Features:

- Read Social Distancing values from i3Ai v7.1.2.46. (#29055)
See i3Ai v7.1.2.46 release bulletin for more information about the Social Distancing feature.

Improvements:

- The number of mobile connections increased to 20 for all systems, regardless of licensing (including U10/U12 SRX-Pro Core systems. (#28551)
The following applications are considered “mobile”: SRX-Pro Mobile app, CMS Mobile app, CMS Web. Mobile connection licenses are used as follows:
 - CMS Web and CMS Mobile app – 1 license per **channel** (Video Streaming)
 - SRX-Pro Mobile app – 1 licenses per **server**Note: The number of remote connections for SRX-Pro Setup and VPC remains unchanged.
- Include PAC Converter v.3.3.2.10 (#30215)
- Remove the port range limitation (previously 1 to 65535) from Add/Edit camera window when adding cameras manually. (#29751)

Fixed issues:

- Lost configuration settings issue resolved (#30583)
- Duplicate IP address in IPcamera.json (#30582)
- Issue with the i3 PoE switch restart sync resolved (#29631)
- i3Ai camera page:
 - Delay in loading i3Ai camera information resolved (#29145)
 - Link all i3Ai cameras feature issue resolved (#28908)
- System Time sync issue resolved (#28510)
- When Server ID is changed and space is added, connection issue has been resolved (#28206)

Limitations:

- English-language support only
