

QUALITY POLICY

i3 International Inc. understands that the Quality and Reliability of our Products and Services are vital in order to stand out in a competitive business environment. As a result, our quality policy is to deliver the type of Products and Services that will consistently meet customer requirements and will contribute to the growth of i3 International Inc. as well.

To ensure the superior quality of our products and services, i3 International Inc. strives to:

- Take a systematic approach to quality management system that is designed to ensure compliance with applicable statutory and regulatory requirements, and to achieve customer satisfaction.
- Explore opportunities for continuous improvement of products and services delivered.
- Involve employees at all levels of the organization in quality planning and management.
- Provide resources and training to fulfill our quality commitments.
- Set targets for quality improvement.
- Ensure that this policy remains aligned with International Standard.

A handwritten signature in black ink, appearing to be 'R. King', is written over a horizontal line.
